02/09/2021

Dear Parents,

"Greetings from New Indian Model School Dubai"

I have been pleased to welcome the students back to School and thank you for your co-operation.

KHDA will not allow parents on the School premises while the School is in operation, hence we have to keep you outside the gate. I am sorry for any inconvenience this is causing.

In order to make collection smoother the school has arranged a card system.

Grade 1-12:- A card will be issued to you, via your child over the next few days.

KG: - A card will be issued directly to you over the next few days.

Please give in this card when you reach the school gate, we will send your child out on receipt of the card and they will return it to you for use the following day.

Please note:-

- Once the card has been issued to you, you must produce it upon collection of your child
- Cards issued currently will be free of charge. Any replacements will cost 10AED.
- Anyone who arrives to collect a child without a card will be required to wait until dispersal is over and register their ID with security to collect their child. This will result in a delay but it is for the security of the students.
