SCHOOL BUSES TO OPERATE AT 100 PERCENT CAPACITY

Dear Parents,

Greetings from New Indian Model School Dubai!

Hope you are all safe and healthy.

As per the guidelines from KHDA, our school buses are running with 100 percent capacity ensuring the safe and secure transport of all students as part of its back-to- school protocols. This will certainly bring relief to parents who will not have to worry about their child's transport to school now. A three-seater bus seat can accommodate three children and it is not mandatory to maintain social distancing inside the bus.

The school welcomes these new protocols which will gradually help all of us to ease back to face-to-face learning to the normalcy.

The parents who have raised their concern about the social distancing inside the bus need not worry as we are committed to the safety of each and every child in the bus.

Best Regards,

Principal
