GANDHI JAYANTHI CAMPAIGN

In honour of Gandhi Jayanti, celebrated around the world on October 2nd, The Oxford School, Kollam celebrates indebtedness to the messiah of non-violence and to build a better India. Our nation's 'hero' is the person who taught the world the lessons of nonviolence. As a result, nonviolence must be taught to future generations starting from the children.

The honorable chief guest Sri K Bhaskaran, the former vice president of KSSP, delivered a speech on the importance of the day. We organized a week-long campaign to make the children understand the concept, which included presentations about the life of Gandhiji, and a cleaning campaign in which all the kids took part enthusiastically and much excitement!

Furthermore, our beloved principal Mr. Mammikutty T V announced the winners of the cleanliness campaign and the quiz competition winners, which brought a lot of joy to the students. Gandhi Jayanthi celebrations culminated in a live YouTube video that included all the activities and results for the various programs during the week long event

WORLD TEACHER'S DAY

Teachers
Paint their minds
and guide their thoughts
Share their achievements
and advise their faults
Inspire a Love
of knowledge and truth
As you light the path
Which leads our youth
For our future brightens
with each lesson you teach
Each smile you lengthen
Each goal you help reach
For the dawn of each poet
each philosopher and king
Begins with a Teacher
And the wisdom they bring.

THE IMPORTANCE OF
PUNCTUALITY FOR YOUR
CHILD AT SCHOOL

October 11 is observed as the International Day of the Girl Child. The occasion marks the importance of adolescent girl children and attempts at identifying their power and potential by opening opportunities for them. It also aims at amplifying and empowering the voices of adolescent girls around the globe.

Through observing this day, an attempt is made to talk about and eradicate the issues concerning adolescent girl children. Throughout the world, girls face gender-based challenges such as child marriage, discrimination, violence, and poor learning opportunities. International Day of the Girl Child 2021 will observe the theme of 'Digital Generation. Our Generation.'
